

**CALL FOR PAPERS****OPTICAL COMMUNICATIONS****Switching and Routing in Optical Networks**

The OK 2012 conference is traditionally focused on the promising fields of optical communications, fiber optics, access networks and photonics. Prospective authors are invited to submit abstracts as well as their full-length original and previously unpublished papers in PDF format via the conference website. All submitted papers will be peer-reviewed by at least two reviewers assigned by the Scientific Program Committee.

The accepted papers will be published in the conference proceedings, which will be sent to be indexed by the Conference Proceedings Citation Index (CPCI) of Thomson Reuters.

**Conference Topics**

- Optical Transmission Systems
- FTTx Solutions
- Optical Measurements and Diagnostics
- Optical Fibers
- Installation and Maintenance of Optical Networks
- FSO - Free Space Optics
- Passive and Active Components
- Optical Fiber Sensors
- Special Applications of Fiber Optics
- Lasers and Fiber Optics in Medicine
- Optical Nano-waveguides
- Organic Materials for Optoelectronics
- Nonlinear Optics
- Signal Processing in Optical Systems
- Optical Components
- Other Optical Topics...

**Important Dates**

- 6. 08. 2012** Submission of Abstracts
- 20. 08. 2012** Notification of Acceptance
- 5. 09. 2012** Early Registration Deadline
- 12. 09. 2012** Submission of Final Papers
- 16. 10. 2012** Registration Deadline

**Registration Fees**

3 100 CZK Regular fee  
2 480 CZK Members of Czech and Slovak Society for Photonics, IEEE members and Academic researchers

More information can be found on the web page:  
<http://www.action-m.com/ok2012/>

In the case of early registration, the fee discount of 300 CZK will be applied to Regular fee and 240 CZK will be applied to the other fee.

The conference organizers reserve the right not to include a paper to the proceedings if the conference fee is not paid or the paper is not presented.

**Guidelines for Manuscript Preparation**

Abstract up to 300 words is required through <http://www.action-m.com/ok2012/submission.php>.

After the abstract acceptance, the authors are advised to use the official template in MS Word format (downloadable from the website of the conference) to prepare the full paper. The best way to meet the format requirements is to copy and paste your paper into the template file.

Some points that need to be considered while preparing the paper:

- paper length: 2-4 pages including figures, tables & references
- paper size: only PDF format A4 (210mm X 297mm) will be accepted for the paper submission
- PDF requirements: Please DO NOT apply security settings to your PDF file, DO NOT number pages of your paper, LEAVE EMPTY the header of your paper
- language: The only accepted language of the papers is English.

**OK 2012 is organized under the auspices of:**
